Wholesale and Retail Gladiolus Price List

January 1st 1930

RETAIL PRICES are those quoted on bulbs in lots of one or ten and are sent PREPAID.

WHOLESALE PRICES are those quoted in lots of 100 or 1000 and are F. O. B. Toledo, Ohio.

SHIPPING TIME. We send bulbs out all through Winter months but do not start them during zero weather. When temperature runs around 20 above, we are safe to mail. Bulbs can not be insured against freezing by mail. Express companies insure against freezing without extra charge. We do not lose over two packages per year by mail from freezing the way we pack.

DISEASES. Bulbs were all treated chemically before planting and have been planted on virgin sandy soil each year for the past six years.

GUARANTEE. If any of our bulbs are not satisfactory when received, return them and we will refund your money with charges both ways.

MINIMUM orders are one dollar. 25 per cent will hold your order until April first, 1930, when they will be sent C. O. D. No orders are sent C. O. D. unless 25 per cent has been paid. This applies to TELEGRAMS as well. The 25 per cent can be telegraphed.

SUBSTITUTIONS. We do not substitute varieties. Make a few second choice if you wish so that your order may be filled promptly in case we are out of certain varieties. We will substitute the next size to the one you order in case we are out of one ordered unless you request us not to do so. Of course prices are adjusted.

PLEASE list varieties alphabetically in large orders. All orders are filled in rotation and are accepted subject to prior sales at time of filling order.

IMPORTANT. Some growers are listing bulbs at retail in only 3 sizes. Large (L), Medium (M), and Small (S). Some call size 1 large, while others list size 1 and 2 as large and quite a number this year call 1, 2 and 3 large. We will use the STANDARD COMMERCIAL sizes only. If you get a low price on "Large" from a grower listing 3 as large, then compare it with our size 3 instead of our size 1. A free hand grader is sent out with each of our orders this year.

REMEMBER 5 bulbs are sold at 10 rate, 25 at 100 rate and 250 at 1000 rate. Bulblets are sold in quantities as listed below.
